2. The Divine Road Map
3. Supernatural Guidance and Provision
4. Stuff that You Bring Along
5. There's a Time to Pray and a Time to GET MOVING!

## **Digging Deeper:**

*Revelation*

- Why should we not wait for change to come?
- How can we “pray into” how to move forward in a time of change?
- Why is it important to “surrender to supernatural provision?”

*Interpretation*

- What does it mean to have a “divine” roadmap?
- What supernatural guidance and provision did God provide for Israel?
- How do we determine what “stuff” to take along on the journey?

*Application*

- What “instructions” is God giving you right now for you to move forward?
- Do you see God “providing” for you in the midst of your situation today?
- What “stuff” should you be taking on your current journey?
- How is God telling you to “get moving” today?
