# LEARNING TO FOLLOW

Choosing the Right Way in a Wrong Way World.

Mark 8:27 - 9:13

Eric Hoehn

## Main Point

If we want to receive all that Jesus desires to give us, we must go by the way that Jesus asks us to go.

## Option 1

We can choose the way that leads to nowhere.

## Option 2

We can choose the way of the cross.

## Summary

Nobody, who has driving experience and is in their right mind, would speed recklessly ahead completely ignoring the clearly posted “Danger Ahead” signs. So why, when it comes to choosing the best way in life, do we often choose roads that have proven, again and again, to lead nowhere? Why do we disregard all the “Dead End” warnings? If we want to receive all that Jesus wants to give us, we must go by the way that Jesus asks us to go.
