

You've Got What It Takes!

The Embassy Church - Small Group Notes – Sun, August 23, 2020

Last week we discovered confident humility; with the absence of arrogance, we can be a city on a hill, a light that shines bright, confident and humble at the same time.

This is the time to be confident in the message the church carries. Now is the time to arise and shine. In this message you will discover you have what it takes to do just that!

Be blessed!
Pastor Léon van Weerden

Creation is waiting for you to have confident humility!

Revelation

- What is the “crown” we will receive?
 - What does it mean to receive a “Crown of Righteousness”?

God is releasing a bouquet of people to influence the world for Him.

Interpretation

- How can we be confident in what we carry?
- How can we “embrace” the cloud?
- Why is it important to spend time not only in the “cloud” but also in the “crowd”?

You might be wearing a mask, but you still have a message.

Application

- Are you confident in what you carry?
- Are you spending time in the “cloud”?
- Are you spending time with your “crowd”?

This is the time for you to move from the “cloud” and influence your “crowd” for Him.
