MINISTRY UPDATES

As noted previously, the call committee has requested a new call list from the district office. We were informed that there are approximately 8 churches ahead of us in the queue to receive a call list, so we will continue to wait patiently, knowing that His timing is perfect. It is very likely that we may not get our next call list until the end of August or even early September. When news about the process is shared, it is good to remember "Every house is built by someone. The builder of everything is God" (Hebrews 3:4)

May we continue to trust the Lord's building of His kingdom among us.
