

Galatians: Don't Grow Weary - Galatians 6:6-10

Memory Verse: Galatians 6:9 (ESV) “And let us not grow weary of doing good, for in due season we will reap, if we do not give up.”

1. Where are you most tempted to stop doing good because you haven’t seen the results you hoped for? What has been hardest about continuing?

2. Think about an ordinary week. What repeated choice is shaping your heart in a direction you don’t want to go? What could you do differently this week to sow to the Spirit in that same part of your life?

3. Paul gives practical support for those who teach God’s Word as an example of generosity. Who has invested in your spiritual growth, and how could you use what God has given you to support their work?

4. Think of a situation where you wish you could control someone else’s response. What is yours to do faithfully, and what do you need to entrust to God?

5. Where might rest, a healthy boundary, or accepting help allow you to keep doing good without carrying the burden alone? What would it look like to ask for that help?

6. Who is easy for you to overlook when an opportunity to do good comes up? How could you serve someone in your church family or someone who may never be able to repay you?

7. What is one good thing God has already called you to do that you want to keep doing this week? How can the group pray for you or help you follow through?
