

Don't Waste the Storm

The Embassy Church - Small Group Notes – Sun, March 22, 2020

Last Sunday Pastor Léon gave us the great insight of seeing Jesus in the storm.

This week be prepared to learn invaluable lessons in a storm of life. A storm can bring out your best, and it can also deposit new virtues in you that nothing else could. Don't waste this temporary storm.

Be blessed!

Pastor Doug Schneider

Scriptures: All Passages NLT

- Acts 27:1
- Acts 27:9-12
- Acts 27:18-19, 38
- Acts 27:27
- Acts 27:31
- Acts 28:16

Main Points:

1. Even “Storms” Will Get You to Your Destination
2. Everyone Has an Opinion in a Storm
3. “Lighten” Your Load
4. There is a Glimmer of Hope After 14 Days
5. Stay in the Ship

Remember, God is bigger than any storm you might find yourself in. He will use the storm to propel you toward your purpose and destiny.

Digging Deeper:

Revelation

- How does a storm propel us toward our purpose and destiny?
- How do storms bring the best of us and the worst of us to light?

- What happens when we lighten the load?
- Why is it important to stay in the ship during the storm?

Every storm has an expiration date.

Interpretation

- How can we sort through opinions and discover what God is saying?
- Why is it important to come into alignment with our leaders during times of storms?
- How do we find hope as we weather the storm?

Application

- How is your storm working you toward your purpose and destiny?
- Are there some things you needed to lighten from your load through your current storm?
- What are you learning in the midst of this current storm?
