

The Power of Being Connected

The Embassy Church - Small Group Notes – Sun, March 14, 2021

The power of being connected describes two categories, vertically with our Heavenly Father, and horizontally with one another. God designed us this way. We need Him and we need each other. This message explores and describes the power of being connected.

Be blessed!

Pastor Léon van Weerden

The Lord 'Shma's' us!

Scripture:

- Mark 2:1-12 (NRSV)

No one is extra special, because everyone is!

Main Points

1. Connected to Each Other: The Body at Work
2. Connected to Yourself: Self-Awareness, Being Real
3. Connected to God: The Presence

You don't need to be stronger (or weaker!) than you are. Be you!
