Sermon Connect Card (on the app):

1. Do you live your life in worship of Christ?

2. What can you do this week to tell others about Jesus?

3. How can we be praying for you?

Small Group or Family Discussion:

Read Matthew 28:16-20 and Mark 16:14-20.

1. What similarities and differences are there in these passages?

2. Why do you think it is important that we have the different authors perspectives?

3. What initiates the process of making disciples? Why did Jesus command it? Why does Jesus choose to use us?

4. How should Jesus power, authority, and example motivate you to connect with others?

5. What makes us apprehensive to share the Gospel with others?

6. Not sharing the Gospel is a selfish mindset as a group come up with some ways to encourage one another to share the good news of Jesus Christ.

7. Why is the local church important in making disciples? Why can we not do it alone?

*****Please understand we want to help you know Jesus personally and journey with you in taking fresh steps of obedience daily. We would love to pray with you and for you. Join us at the front of the auditorium at the conclusion of each service or send us your request (front page of fbcwaterville.org website by clicking on the DIRECT connection tab), and we will lift them up throughout the week
