We've spent the past several weeks discovering that Christ alone is supreme, Christ alone is sufficient, and Christ alone is the foundation of our new life. But does that truth make a difference when we walk through our front door? In Colossians 3:18–4:1, Paul moves from who we are in Christ to how we live with the people closest to us. Marriage, parenting, family relationships, and even our work are all places where our faith should be visible. Following Jesus isn't something we leave at church on Sunday; it's something we carry into every conversation, every relationship, and every responsibility. Today we'll discover that **Christ Alone Changes Home** and consider what it means to **Bring Your Faith With You**.

Thank you to everyone who helped pack shoeboxes Wednesday night for Operation Christmas Child. **300 shoeboxes were packed!** These will be used to share God's love with children all over the world. Thank you Jo Ann for your continuing leadership!
