CHRIST COMMUNITY CHURCH

During Holy Week, we are launching a 24/7 Prayer Event for Christ Community. We would like everyone to take a 30 minute time slot and pray for the Coronavirus situation and our church family. The prayer times will start at 6:30 am on Palm Sunday and end at 6:30 am Easter Sunday.

You can sign up for as many time slots as you'd like. We would love to have every slot covered. Just visit our website or Facebook page to sign up for a specific prayer time. We will make available an optional prayer guide that can be used by anyone praying.

All services will also be available on our website at cccgreeley.org

For this broadcasted service experience, you will want to have communion elements and a candle available. All services will also be available on our website at cccgreeley.org

CC Bible Connection Facebook Group

In light of our recent "Love This Book" series, we invite you to join others from your CCC Family for a Daily Bible Reading Plan focused on the book of John, starting on Monday April 6th and continuing through Pentecost Sunday, May 31st. We have divided the book into appropriate-sized readings for the purpose of slowing down and meditating on the life and words of Jesus. We have also arranged the readings to coincide with Holy Week and Resurrection Sunday.

During this season, please join our CC Facebook Bible Connection group to interact with others about what you are learning and hearing from God.
