Series: The Beginning of the End

Next Week: HOPE FOR THE BEST

"Hope for the best" usually means admitting that we do not know what will happen. We want the treatment to work, the relationship to heal, the injustice to be corrected, or the person we love to recover. But the outcome is beyond our control, and we cannot be certain that life will unfold as we hope. Christian hope is entirely different. It is not confidence that our circumstances will improve. Our hope is rooted in the fact that Jesus has risen from the dead. Therefore, we know exactly where history is headed.

When Christ returns, he will raise the dead, bring every hidden wrong to judgment, and deliver his people from everything sin has damaged. Disease, grief, fear, separation, and death will be gone forever. We are living in the beginning of the end, but those who trust in Christ do not face that end with uncertainty. Jesus has promised that the best is still to come.

The Grande Finale: The One Who Was, and Is, and Is to Come

What would Jesus say if he wrote a letter to our church today? Would he commend our faithfulness? Challenge our priorities? Call us to repentance? In Revelation's opening chapters, the risen Savior speaks directly to seven congregations facing challenges surprisingly similar to ours. His words are sometimes uncomfortable but always motivated by love. Discover the breathtaking picture of Jesus walking among his churches, knowing their struggles, exposing their weaknesses, and promising eternal victory. Revelation isn't meant to frighten believers. It's meant to strengthen them! Join us for The Power of 4 as we discover what our living Savior wants his church to hear today. We're meeting in the Fellowship Hall on Sunday, November 22, from 10:15-11:15 AM.

ANNOUNCEMENTS

Make the Move to Subsplash Giving!

Have you made the switch to Subsplash Giving yet? Beginning December 18, Vanco will no longer be available to Trinity members for giving.

Members currently giving through Vanco who want to continue online giving must set up a Subsplash giving account before the deadline. Once you've set up Subsplash, please notify Liesl in the Central Office so she can cancel your recurring Vanco contributions and prevent duplicate gifts.

Not giving online yet? Now is a great time to start! Setting up recurring online offerings is a simple way to **check one more thing off your weekly to-do list!** Your gifts are made automatically, whether you're attending worship, traveling, or simply navigating a busy week!

Online giving also reduces Trinity's offering envelope printing and postage expenses and provides a consistent flow of contributions, helping us budget wisely and practice good stewardship.
