

# God's Colour Chart

---

*The Embassy Church - Small Group Notes – Sun, August 2, 2020*

This is an awe-inspiring reality of God and how he works. He paints outside the lines of your thinking (with intent) and uses colour schemes you wouldn't have thought of.

This message encourages you to move beyond black and white, where you get to experience the God-zone of many beautiful colours.

Be blessed!
