THE ONE NOTEBOOK

The One Notebook is a tool to help us understand, remember, and be changed by the Bible. It is meant to provide a starting point for us to ask important questions about the passages we are reading. This method only asks you to write one takeaway under each category. As you grow more comfortable studying the Bible, you may start finding more than one takeaway for each category. Write down as many as you want.

One Verse
Write out one verse in the passage that stood out to you.

One thing about God
Write one thing this passage teaches you about God.

One thing about us
Write one thing this passage teaches you about yourself or humankind.

One Message
Write a summary of the message the author intended to communicate in this text.

One Application
Write one way this passage affects how you live your life today.

One Prayer
Write a one-sentence prayer based on the message of this passage.
