Overcoming the Bystander Effect…

Lead by Example

Leadership: Take the First step- initiative

Take someone with - you

See Every Job as Important

- Some Jobs are less desirable, but they still need to be done
- God notes those who are not working
- Some people do more work than others

Matthew 13:23

> *There are different levels of capacity*

Matthew 25:14-23

> *We should be willing to work with what God gives us*

- There where lots of people doing something they were not expecting to do.
- Everybody they needed for their proect was already there
- **Take Personal responsibility**

Appreciate the Unity
