

## Discussion Questions for *A Far-Off Planet*

- Even if Dwade wasn't caught cheating by the Security Robot, do you think Dwade would have felt bad about it eventually?
- Although RZO was just a robot doing what he was programmed to do, he saved Dwade's life and RZO lost his "life." In the Bible, who do you think gave up the most to save another person's life?
- Where would you want to go if you had a teleporter?
- Did Dwade's story sound familiar?
- If it did, that's because it's based on a story that Jesus told in the Bible called The Prodigal Son. If you want to read the original story, check out Luke 15:11-32.
- How was A Far-Off Planet different than The Prodigal Son?
- How were they the same?
- Have you ever done something like Dwade and felt sorry for what you've done?
- Have you asked for forgiveness for it yet?
- Dwade didn't think that his dad would take him back as a son. However, Dwade found out that his dad had left a way for him to come back anytime. Who does Dwade's dad remind you of?
