

Discussion Questions for *The Dundersage Delusion*

- What are some songs that you've heard that made you feel uncomfortable?
- What are some good things you can think about when you hear someone talking or singing something bad?
- Which nursery rhyme do you think is the silliest?
- What are some of your favorite songs?
 - Why are those your favorite?
 - What do you think the lyrics mean?
- Zeke asked his grandpa if it was okay to talk about phones. If you're ever unsure about something, to whom can you ask those types of questions?
- Although the story of Claude Dundersage is a made-up story and a bit farfetched, some people in real life do act on what they hear and see even though it doesn't make logical sense. Why do you think that happens?
