

MISSION NICARAGUA

Mission Nicaragua: Proyecto Agua

Clean water is a scarce natural resource in most of Nicaragua. Drilling sustainable, clean, deep water wells provides this most basic necessity in life for those in need.

When clean water is made consistently accessible, God opens the door for multiple ministry opportunities to intersect with people's lives. This is the number one way to generate life and thriving community .

How Can I Get Involved?

- Pray for the country (peace and prosperity in NICIA), communities and project. Pray for the groups and trips. Pray for the team leader and members in country (Stu and team). Pray for the people that the project impacts (health, welfare, and a personal encounter with God).
- Sponsor a clean water well, a well repair, or school repair.
- Donate to ETCA and take some of their amazing products or the paintings (Mateo Reynolds).
- Sponsor a Compassion child.

How Can I Get Involved?

- Sponsor a student for University or Trade School.
 - Donate to youth sports equipment needs.
 - Seek other sponsors/donors within the community and business leaders/owners.
- Become part of a group trip to Nicaragua to be directly involved in all of these areas in one epic week which will change your life forever.

What is Offered on a Group Trip?

- Hands on support for all of our ministry and humanitarian missions on a week long trip.
 - Live in, minister to, and worship with the community and local project team to spread the love, peace, and joy of Christ.
- Enjoy the culture, natural beauty (pacific beaches, tide pools, surfing, terrain, animals), site seeing, shopping, and awesome food of Nicaragua prepared and served by local friends and merchants.

What is Offered on a Group Trip?

- Make a personal visit to your sponsored Compassion child and his/her family.
- Build genuine relationships which will last a lifetime.
- Personally experience a life altering and undeniable encounter with God.
