Easter is the Power of God
available FOR US and IN US
because Jesus is RISEN
Jesus is ALIVE!

A woman wearing a dark headscarf and a red garment is sitting on the edge of a bed, looking down at a man lying in the bed. The man is wearing a light-colored shirt and has his eyes closed. In the background, other people are visible, some sitting and some standing, in what appears to be a hospital or a care facility. The overall scene is dimly lit and has a somber atmosphere.

Jesus is ALWAYS on Time

***John 11:3-7 Lazarus's sickness will not end in death.
No, it is for the glory of God***

John 11:14-22 Let's go, too—and die with Jesus

John 11:23-24 Your brother will rise again

A photograph showing a person in a dark jacket kneeling on a light-colored carpet, resting their head on the feet of another person whose legs and feet are visible. The person whose feet are being touched is wearing light-colored pants and brown shoes. The scene is dimly lit, with a soft glow around the feet.

God's Timing is ALWAYS Perfect!
