

Vision Weekend

Vision 3.0

Multiply and Expand the Operating System of Jesus Ministry

Harborview Fellowship

Established • Empowered • Expanded

Introduction: Vision 3.0

- To multiply and EXPAND the Operating System of Jesus Ministry.
- Restoring people and the church back to God's original design.
Jesus said in Matthew 28:19–20: “Go and make disciples of all nations... teaching them to obey everything I have commanded you.”

The Operating System of Jesus Ministry

- We teach this through Living Set Free, Hearing God's Voice, and Freedom Prayer Training.
- Matthew 5–7: Live like Jesus lived (Kingdom Living)
 - In relationship to God, people, money, purity, truth, and character.
- Matthew 9–10: Do what Jesus did
 - Heal, deliver, and proclaim the Kingdom.

The Operating System of Jesus Ministry

Our Mission:

Equipping people to passionately do what Jesus did, live like Jesus lived, and advance His Kingdom together.

Celebrating What God Is Doing Fruit We Are Seeing

In the church

- Salvations nearly every week as people decide to follow Jesus.
- Consistent reports of healing, including genuine and often miraculous breakthroughs.
- Deliverance from oppressive spirits.
- Restoration in marriages, families, and prodigal relationships.

In everyday life

- Members living out the Operating System through the week...not just on Sunday.
- Jesus' ministry being expressed in workplaces and social circles.
- Growing maturity and confidence in hearing God, ministering, and living free.
- A church increasingly shaped by the life and mission of Jesus.

Three Phases of Harborview

Established • Empowered • Expanded

Vision 1.0

2001–2011

Established

Vision 2.0

2011–2026

Empowered

Vision 3.0

2026 → Future

Expanded

From establishing the church's DNA to expanding the Operating System into new places and new leaders.

Vision Established 1.0 (2001–2011)

- Several founders of Harborview connected with Pastor Mike Riches and Cindy in the early 2000s.
- Their church had experienced a spiritual revival that produced powerful biblical insight into how the church is meant to live and operate.
- Through prayer, study, and experience, Mike developed training that became Living Set Free and Hearing God’s Voice.
- In 2001, with the blessing of their previous pastor, a small group felt called to plant a church built on these principles.
- It was an all-in “YES to Jesus” moment...saying yes to God’s vision before fully knowing where it would lead.
- Around 2008–2011, growth brought a shift as Scott and then Mike came on as paid staff...another “yes” moment for both families.

Vision Empowered 2.0 (2011–2026)

- In 2011, the Hunt Street property became available...far bigger than needed, yet God miraculously made a way.
- A new dimension to the vision emerged: the WATCHMAN ROLE.
- Vision 2.0 included restoring the property and helping heal people wounded by leadership from the previous church here.
- This season involved spiritual warfare, restoration work, new relationships, and the merging of congregations.
- During COVID, the watchman role expanded as Harborview took a stand for the essential nature of the church and helped reopen churches across Washington.
- Through it all, Harborview stayed focused on empowering people to live Jesus' Operating System.

Vision Expanded 3.0

2026 → Future

What is Vision 3.0?

A new season of strengthening, multiplying, and expanding the Operating System.

Vision Expanded 3.0

2026 → Future

What is Vision 3.0?

A new season of strengthening, multiplying, and expanding the Operating System.

Built on 3 Pillars

- Pillar 1 – Fortify our DNA & Roots
- Pillar 2 – Strengthen the Watchman Role
- Pillar 3 – Multiply and Expand the Operating System

Pillar 1 – Fortify Our DNA & Roots

Strengthen the foundation of Harborview

1

- Deepen the core mission through stronger discipleship, ministry development, and leadership training.
- Improve the Gig Harbor campus to better support ministry and ease bottlenecks.
- Examples include traffic flow changes, maximizing the sanctuary, and adding chairs instead of adding a service.
- The goal is not merely more activity, but a stronger base for what God is doing here.

Invitation: Talk with Bob Johnson or Doug Christensen

Pillar 2 – Strengthen the Watchman Role

Stay alert, speak up, and lead with discernment

2

- Elders sense a continued calling to be watchmen on the wall...alert to danger, warning people, and calling the church to readiness.
- If watchmen speak, responsibility shifts to the people; if they stay silent, the burden remains on the watchmen.
- Harborview will continue promoting prayer, civic awareness, biblical citizenship, and strategic engagement for religious freedom and family values.

Invitation: Talk with Larry Godt or Mike Riches

Pillar 3 – Multiply and Expand

Replicate what God has built at Harborview

3

- Vision 3.0 includes Multiplying the Operating System and Developing Leaders

Invitation: Join the conversation about how God may use you in this next chapter

Pillar 3 – Multiply and Expand

Replicate what God has built at Harborview

Replicate what God has built at Harborview

Why North Idaho?

- The elders sense the Lord's leading toward this location.
- Many within Harborview have already shared unsolicited plans or interest in moving out of Washington.
- The trendline of Washington State continues to raise concern.
- North Idaho may provide a place for community, leadership, and continued multiplication of the Operating System.

High Level Roadmap

Current Expansion Signs

Expansion is already underway in multiple forms

International report

- God is raising up leaders in Africa and beyond to multiply and expand the Operating System.
- Harborview is seeing growing impact beyond the local church context.

Remote and regional growth

- Interest in remote sites and satellite expressions continues to develop.
- The ministry is already influencing people outside the immediate area.
- Vision 3.0 gives structure to what God is already stirring.

Idaho Update

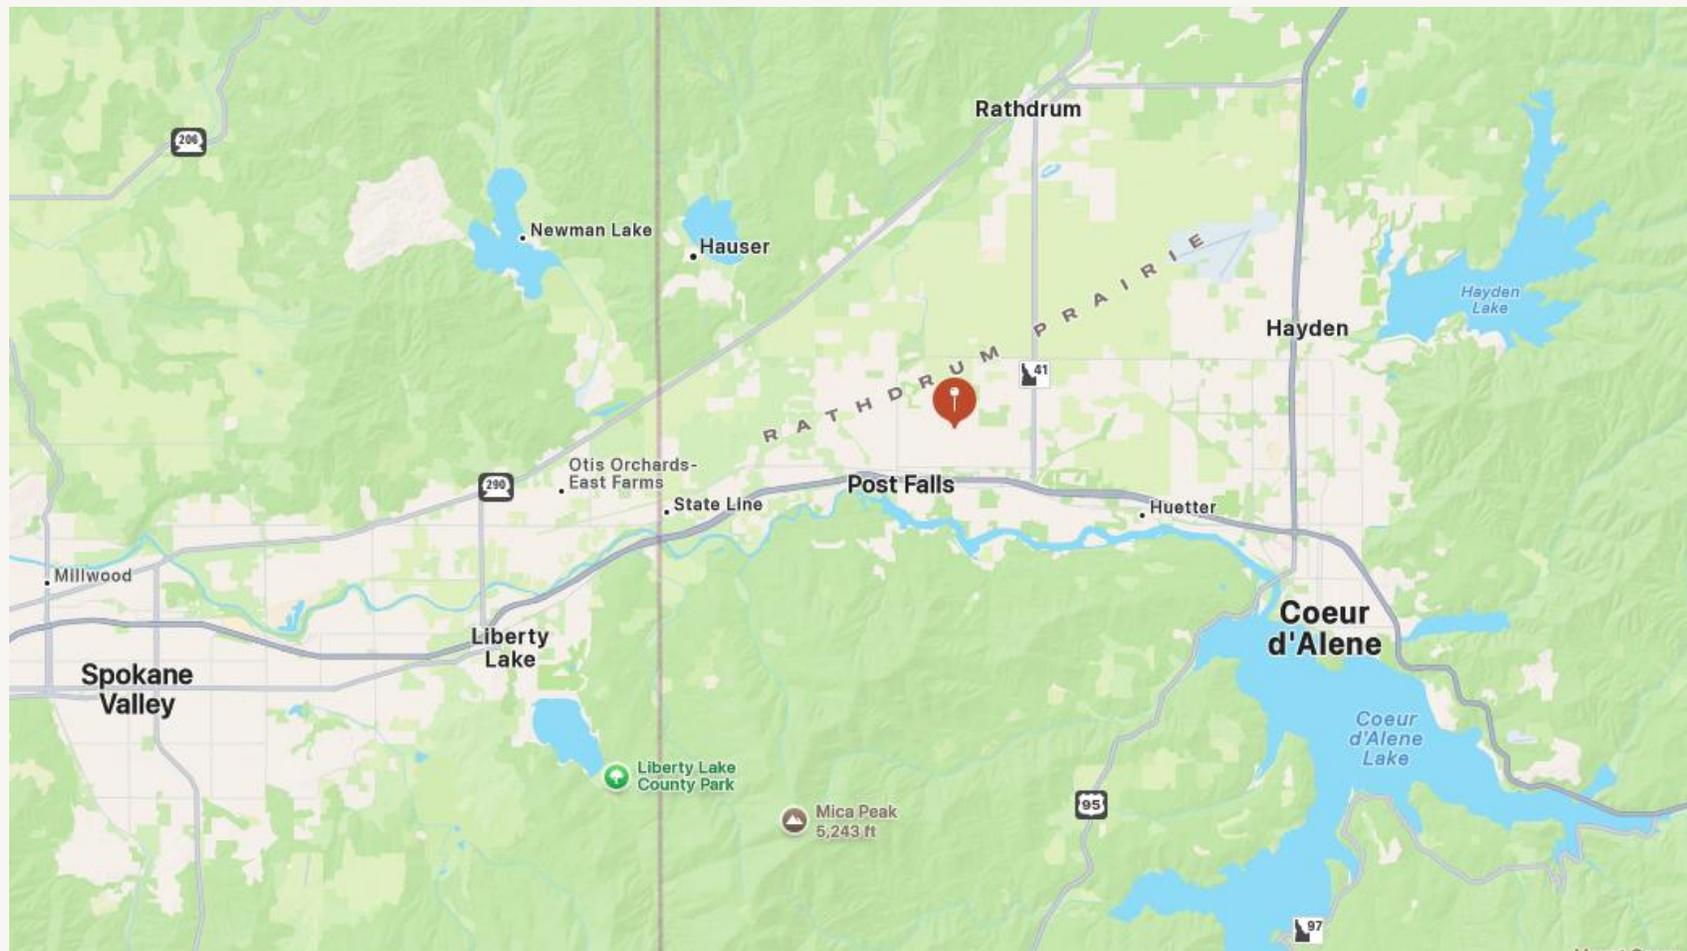

From early discernment to a concrete opportunity

- On January 12, the elders shared the sense to put a pin in the map in North Idaho.
- Since then, with professional help and research, a site has been identified.
- In the last two months, Harborview entered into a purchase and sale agreement with a church that is moving.
- A feasibility study and inspection process were completed, money was put down, and the property closed last week.

Post Falls Property Overview

Location & access

- Located in Post Falls, just a few minutes off I-90.
- Centrally positioned to draw from Post Falls, Coeur d'Alene, and Spokane.
- A practical location for a regional satellite expression.

Post Falls Property Overview

Building & land

- Originally built and dedicated as a church.
- About 4,600 square feet with seating for roughly 130–150.
- Full basement with children’s ministry areas and a kitchen.
- Roughly 2 acres, flat and usable, with room around it and possible sewer annexation.

How People Can Participate

- The property is in great condition, but some construction and landscaping work is needed.
- Technology was not part of the sale, so updated systems for worship and simulcasting will need to be installed.
- Task force contacts: Scott, Mike, Tom, or Larry.

Developing Leaders for Expansion

Developing Leaders for Expansion

Ministry and Leadership Models

Remote	Y								
Partnership									

Developing Leaders for Expansion

- With remote sites, international work, and satellite locations, Harborview must intentionally develop leaders.
- Leader development may include:
 - Assessment profiles,
 - Deeper theological training,
 - Personality and Spiritual gifting tools
 - Interviews
 - Background checks
 - Spiritual experience inventory
 - Marriage profiles (when applicable)
 - Theological fit
 - Personal development plans.

The Way Forward

- With remote sites, international work, and satellite locations, Harborview must intentionally develop leaders.
- Leader development may include:
 - Assessment profiles,
 - Deeper theological training,
 - Personality and Spiritual gifting tools
 - Interviews
 - Background checks
 - Spiritual experience inventory
 - Marriage profiles (when applicable)
 - Theological fit
 - Personal development plans.

The Invitation

Another “yes” moment for Harborview

- Will you say yes to the next vision God is giving us?
- This vision is bigger than any one leader and will take all of us.
- It is not only a vision for church leadership...it is a vision for the whole body to multiply and expand.
- Are you willing to be used by God in whatever way advances His Kingdom?
- This is another yes moment as a church.
