

**Chapter 6:**  
*The Via Dolorosa*  
*“Way of Suffering”*

Imagine what it must have been like for Jesus that day. He was sentenced for crimes He did not commit. He was given an unimaginable beating and was then expected to carry a heavy, solid-wood, cross.

The journey from the Praetorium to Golgotha, The Place of the Skull, was close to 1/4 mile. That would be like carrying the cross from RCC to Cocoa Blue down the street.

---

As you think about the Via Dolorosa, reflect on what it must have felt like to witness what was happening. To be one of the women or disciples who were on the road at the time. To see your friend, mentor, and son suffering; to see Him be ridiculed and realizing that there is nothing you can do but watch.
