

WALKING TOGETHER *Galatians 6:1–10*

1. WHEN SOMEONE FALLS — RESTORE THEM *Galatians 6:1*

When a brother or sister is caught in sin, our goal isn't embarrassment, condemnation, or proving that we're right. The goal is restoration—with truth, grace, gentleness, and humility.

Key Scripture: John 8:7–11

Remember

- Gentleness is fruit of the Spirit.
- The goal is restoration, not condemnation.
- Before you pick up the stone, remember who you are.
- There is one Hero—Jesus. The rest of us are recipients of grace.
- We don't restore people from above them. We restore them from beside them.

Ask Yourself

- How do I respond when someone else fails?
- Is there someone God is asking me to help restore with truth, grace, and gentleness?

I need the same grace I'm asking you to receive.

2. WHEN SOMEONE IS BURDENED — HELP CARRY THEM *Galatians 6:2–5*

Walking together means noticing when someone is carrying more than they can bear alone. We each have responsibilities that belong to us, but there are burdens God calls us to help one another carry.

Key Scriptures: Genesis 4:8–10, Luke 10:25–37

Remember

- Pride makes terrible community.
- Comparison can make me feel righteous without actually making me holy.
- I can care about your life without pretending I've mastered mine.
- Some things are my responsibility to carry.
- Some burdens were never meant to be carried alone.

Ask Yourself

- Am I so consumed with my own life that I've stopped seeing someone else's burden?
- Who around me needs me to move toward them instead of walking past?

Carry your rucksack. Help your brother carry the Humvee.

3. BE CAREFUL WHAT YOU SOW — A HARVEST IS COMING *Galatians 6:6–8*

Every day we're planting something. What we continually feed eventually grows. Paul calls us to stop feeding the flesh and intentionally sow into our relationship with Jesus.

Key Scriptures: Colossians 3:2, Galatians 5:1

Remember

- What we continually sow eventually grows.
- What I dwell on and replay is planting something in me.
- Don't continually feed what is pulling you away from Jesus.
- Don't play with the chains Jesus broke.
- Sow to the Spirit.

Ask Yourself

- What am I feeding?
- What am I continually replaying?
- What am I planting today that I don't want to harvest tomorrow?
- What needs to be surrendered to Jesus?

Don't keep sowing what you don't want to reap.

4. WHEN DOING GOOD GETS HARD — DON'T QUIT *Galatians 6:9–10*

Faithfulness can be exhausting when we can't see what God is doing. But the absence of visible fruit doesn't mean God isn't working. Keep loving, serving, forgiving, praying, and doing good.

Key Scripture: Matthew 5:16

Remember

- It is always too soon to quit.
- You don't always see the harvest while you're sowing.
- Keep showing up.
- Keep doing good even when you don't see immediate results.
- What God grows in us was never meant to stop with us.

Ask Yourself

- Where am I growing tired of doing good?
- Where have I been tempted to quit because I haven't seen the harvest?
- What would faithfulness look like if I simply kept sowing?

Do good. Keep sowing. Don't quit. Remain faithful.

RESPONSE

“Let us lay aside every hindrance and the sin that so easily ensnares us. Let us run with endurance the race that lies before us, keeping our eyes on Jesus...” **Hebrews 12:1–2**

What do I need to lay down?

What have I been sowing that I don't want to reap?

Whose burden do I need to help carry?

Who might God be asking me to restore?

Where am I tempted to quit?

Let us lay it down. Let us keep our eyes on Jesus. And let us keep walking together.
