

**Read: Acts 6:1-7**

**Connect Questions:**

1. Why do you think the apostles prioritized prayer and the Word over hands-on problem-solving? What can leaders today learn from that?
2. What made the seven chosen men uniquely qualified for leadership? How should we apply those same criteria when empowering others in ministry?
3. How did the church preserve unity while resolving a serious cultural tension? What steps can churches take to do the same today?
4. Why is it important for spiritual leaders to focus on their calling? How have you seen that modeled at Ridgeview or in your life?
5. Who do you see in our church today quietly serving, like Stephen or Philip, who might be ready for greater leadership impact? How can you affirm or encourage them?

**Memory Verses: Acts 6:3-4 NKJV** “Therefore, brethren, seek out from among you seven men of *good* reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; but we will give ourselves continually to prayer and to the ministry of the word.”
