Connect Groups Week of 7/31/22

**Connect Questions:**

1. What does the word great or greatness mean to you?
2. Think about the greatest thing you have ever witnessed and the greatest person you can think of. What made it great? What makes them great?
3. How do you, or would you, respond in the presence of true greatness?
4. Read Psalm 145:1-5. What does David say about God's greatness? What does that suggest about how we should respond to God?
5. David calls God "most worthy." To what thing (occupation, possession, relationship) do you devote the best of your time, energy, resources, and attention? What does that say about how much you value a thing?
6. David says that generations of God's people will "tell of God's wonderful works and great deeds." What are some of the works of God that David names in the Psalm? What "great deeds" of God can you recall from other Bible stories?
7. Read Psalm 145 again. What are some responses we can have to God?
8. Read Isaiah 40:21-22 & Psalm 33:8-10, 13-15. Science shows us vastness/greatness of God. How does God compare man to Himself according to this passage? What does God see as a priority in man?
9. Read Jeremiah 1:5. What does this passage say about our great God and His relationship to us?
10. Read Colossians 1:15-18, \_\_\_\_\_ is a protein in our bodies that is critical in holding tissues and organs together. Google laminin and decide if this is coincidence or God showing Himself to us.

**Memory Verse: Colossians 1:16-17** <sup>16</sup>For by Him all things were create that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him. <sup>17</sup>And He is before all things, and in Him all things consist.
