Connect Questions:

1. Why did they need to repopulate Jerusalem? Why was it difficult? What is so special about the Holy City? Do you know that you are in the “right location” spiritually? How?
2. How much outside your comfort zone are you willing to go in obeying God? What blessings come with total surrender?
3. Why is servant leadership so critical? Why don't we see it more often? Why does God value it so much?
4. Do you know your role in the kingdom? In this church? If so...how? If not...how can you find it?

Memory Verse: Nehemiah 11:2 NKJV ² And the people blessed all the men who willingly offered themselves to dwell at Jerusalem.
