As it was in the days of Noah... In these days, out of the inner beings of yielded disciples, there will well up surging's of the Holy Spirit that will change the face of the spiritual topography of society. The change will not be brought by, protesting, media grabbing, political recourse, not even by ecclesiastical programs. It will be accomplished by power of the Spirit - not by might nor by power but by My Spirit. The streams of living water, Spirit infused intercession capable of breaking up any thing.

The Flood of Noah's day came about not just from rain from the sky but the breaking forth of fountains in the deep
