

1. While this series has emphasized the *positives* of technology – why must we also highlight the *negatives*?

a. Why do even the most helpful technologies have the potential to also *harm*?

2. While the sermon and questions focus on parenting – why are they helpful for Christians without children?

3. Read Proverbs 22:6. How should a Christian parent view themselves in relation to their child?

a. Why is a biblical view of *my role* as a parent essential for raising godly children?

b. Do you tend to be too strong or too soft with taking charge over your kids' lives? Why?

c. What do Proverbs 22:15, Psalm 51:5, and Ephesians 2:3 teach about children? Why is it critical for parents to reflect on this reality?

d. What does “Train up...” our children in verse 6 mean?

e. In verse 6, what is “the way” that our child should go?

f. Why is moral training essential and not harmful for leading lost children to Jesus?

g. Why must our parenting focus on preparing our kids for adulthood?

h. Will all children follow Jesus if their parents raise them right according to Proverbs 22:6? Why?

---

---

i. From the message – what aspect of parenting did you need to be *reminded* of?

---

4. Explain why every parent must make the following decisions regarding social media. Decide–

a. The age your child can have their own phone

---

b. If you will allow your child to use social media

---

c. The age your child can use social media

---

d. Which social media platform you will let them use

---

e. How often you will permit them to access their social media

---

f. Where you will allow them to physically access social media

---

g. If you will have different standards for different children

---

h. What they are allowed to post

---

i. What you will allow them to “like, follow or friend”

---

---

5. What decisions above do you need to engage in or reassess for your children?

---

6. Why is it helpful for parents to be aware of all their child is *gaining access to* on a given social media platform?

---

7. Why is it helpful for parents to *be on* the same social media platforms they allow their kids on?

---

8. Why is it helpful for parents to have *full access* (anytime, anywhere) to their child’s phone?

---

9. How does God’s love for us in Jesus help us parent our kids regarding social media? Consider 1 John 3:16 and John 15:13.
