

Prophetic Word: God Is Opening Deep Revelation & Rosh Hashanah

Doug Addison [Episode 248]

August 31, 2022

Hey, everybody, Doug Addison here. Welcome to *Spirit Connection* podcast. It is Wednesday, August 31st and this is a special edition of my podcast. Normally I do the prophetic word for the month, which would be the first Wednesday, but I decided to do it early. This is the prophetic word for September, and because it's the Jewish New Year later in the month in September, this is a really powerful, powerful time.

You know, I don't celebrate the Jewish holidays. I like Hebrew hot dogs, if you know what I'm saying. But I'm quite Gentile. But the Lord, [chuckles] He speaks on the Jewish calendars. And you know what, if you celebrate it, that's fine, whatever God wants you to do, just be yourself. Be more like Jesus, of course.

So, Lord, we just thank You for Your goodness. We thank You that Your glory is flowing right now. We pray that no matter when people listen to this (no matter when you listen to it), that You're outside of time. Lord, You created time. And so that You can cause these prophetic words and the season we're in to be applied to any time of our life in Jesus' name. Amen.

So, you can follow me. DougAddison.com is my website, social media: Facebook—TheDougAddison, Twitter and Instagram—DougTAddison and YouTube—DougAddison.

I know I got a bunch of 'em because I started a long time ago before I realized that, my goodness, social media was actually going to work. [laughs] It's working well for us. We welcome everybody.

Be sure to catch my *Daily Prophetic Word* and my weekly podcast and blog called *Spirit Connection*. That's what you're on right now, in case someone forwarded this to you, you can sign up for it. But Lord, we're just going to activate this in a new way.

You know, this is a powerful time to hear the Lord. Rosh Hashanah is the Jewish New Year. For those who are counting, it's 5783. That's actually the year, but it's 2022 on the Gregorian calendar. So I'm actually on—, I follow the Gregorian ... I follow the calendar, but I do make myself available during the Jewish holidays, certain ones, one of them— Rosh Hashanah, and then later next month will be Yom Kippur. So, for those who want to know, you know, it begins at sundown on Sunday, September 25th. Mark your calendar. It ends on Tuesday, the 27th. So it's a couple-day period there. And then a week later comes Yom Kippur.

I love this time of year. I'll just put it to you, you know, so you could understand it if you don't follow that stuff. You know, again, we're no longer under the Jewish law of Moses, but God uses the Jewish calendar and the seasons. He'll use the other calendars, though historically, the Lord begins to reveal your assignments during this time for the next year, and then, of course, then the new year for us ... the rest of us, is January 1st.

So, we have this time right now, it varies each year because it's 360 days on the Jewish calendar instead of 365 and there's no leap year. But we have a couple of months to get ready and I'm going to release a prophetic word that's got some power to it. I often release prophetic words around this time of what I hear God saying.

I thought I'd do it early because He'd begin to speak to me early. He said, "I'm going to do something new out of the blue and I want you to get people aligned and ready to get

encouraged because He's releasing a PHD." Oh, my goodness. Who needs a PHD? That's prophecy, healing and dreams. He's going to throw in visions, angelic encounters. Yeah. This is the time of year. Prophecy, healing, dreams, visions, supernatural encounters. In fact, in case I forget to mention ... we're offering the [Doug Addison School the Supernatural](#) go to [DougAddison.com/SOS](#) where I walk you right through. It's an online school that I haven't done in a while, but we have a special going right now. But it's during the season that would be really great for you to get your Ph.D., so to speak. But it's the *School of the Supernatural*.

So, it's a time of year God is moving. He's operating with deep, deep revelation. Also, it's also known as the Ancient Path. He told me this, He says, "I'm going to open up deep revelation and you'll find it in the Bible under the Ancient Path." Jeremiah 6:16, this is what the Lord says, "Stand at the crossroads and look" first. Okay, "Stand at the crossroads and look; and then ask for the ancient path." So, one thing is you're going to ask the Lord to see. So we're standing at a crossroads right now. In other words, we're at some decision-making time. He's shifting things this time of year. So we're going to look and then the Lord said, "Then ask for the ancient path, ask where the good way is, and walk in it, and you will find rest for your soul." Wahoo!

Man, I tell you, back in January I got this word, and the Lord told me it was going to happen. He told me the Ancient Path of Jeremiah 6:16 was going to open, and here it is, it is opening. So what you want to do during this time—, we are in a transitional season. You want to look, ask and then walk and respond. And we're entering into a season of rest as well. Now, rest does not mean you have to take off. Some people might need to do that. But the Lord is opening those ancient paths. That really talks about deeper intimacy, deeper understanding, spiritual wisdom, revelation, understanding. And so the Lord says this, "Your suffering and your dark nights of the soul are now coming to an end."

There's a shift happening right around this time. And for those who want this, the Lord says, "Ask for the good way and walk in it." So in other words, you'll see something open up. I'm asking Him, "Lord, what's the good way? I'm going to look. What's the good way? What do I need to do now?" Now if you follow my podcast, I'm going to help walk you through this. For those who don't know, I'll try my best to walk you through what this looks like.

So, there's—, this is a season of rest. That does not mean that you take time off, though you could. But we're going to be resting from our battles, some people. So there's a shift happening in the troops right now. I've been battling. I tell you, I'll talk more about it this month. But my goodness, I've been in a fierce battle for a number of years, actually. But the last few months have been intense!

So, sometimes people think that you have to rest. You know, the Lord says, "I want to pull rest." Hebrews 4:11 says that you need to labor to enter into the Lord's rest. Now that sounds—, that's an oxymoron. But there's other times the Lord's rest means—, here's what He told me ... He goes, "Doug, I want you to tell people and I want you ..." (So, He had me do this first.) "... is to start to move at the speed of peace." What? Move at the speed of peace. And when I started to do that, that explained the rest of the Lord. That didn't mean I sat down.

And so, like I was packing for a trip, right? In one room, I go in, man, I'd be going really quick. And then the next room I'm just sitting down, worshiping, you know, and the next thing you know, even when I was driving on the trip, I was laid back at one point and then, hey, a whole group came along. And I'm driving, you know, faster ... so I was moving at the speed of peace. This is the rest that He wants you to go into, and I'll have to explain it more later.

But some people are now being called to step up in battle, while others like myself, I'm being called to step back, even though I'll still be battling. The Lord's calling you! You

need to decide. Stand at the crossroads. Look and ask, are you going to enter into a season of battling or rest? It doesn't mean that you have to go into this high-level warfare or anything like that. You just might have to do some prayer. And that's where I battle. I battle in the area of prayer. So as you do this, God wants you to come into agreement with Him. And then Isaiah 40:31 (I love this), "But those who wait on the Lord shall renew their strength; they will mount up on wings like eagles, they will run and not grow weary, they'll walk and not be faint." Write this down, Isaiah 40:31.

This is your season right now to enter into the Lord's rest. He's going to renew your strength. He's going to cause you to get the eagle's wings. You know, that's the eagle's eyes and the wings. That's the prophetic—it's the ability to run and not be weary. See, you can run—, that's ... He told me this. Listen, when you enter into the speed of peace, you can run and not be weary because you're at the speed of peace. You can walk and not be faint. You can. You'll fly in some seasons. So, the speed of peace is actually being fulfilled through Isaiah 40:31. And He's going to help you understand that.

The Lord is now sending you a supernatural shift. There's going to be strength come, there's going to be impartation, there's going to be refreshment happen.

Now, let's go back to the Ancient Path. What is the Ancient Path? So we found it in Jeremiah 6:16. But the Ancient Path in the Bible is revelation and understanding into things that have been previously hidden or sealed. And Jesus talks about it in Matthew 13:35. He said, "I'm going to open my mouth in parables, and I'm going to utter things that have been hidden from the creation of the world."

Now, Matthew 13 has a bunch of this, that's the hidden past stuff. So, now the Lord is going to reveal things to you. He's now unsealing and revealing revelation, wisdom, understanding, and the Bible is going to come into alignment with this.

Suddenly you're going to see some Bible verses that apply to your situation or a song's going to come on, something's going to happen. The Lord is going to raise up people who will be willing to pull back and move at the speed of peace, which might be flying, might be running, might be walking. The speed of peace does not mean to sit down. Listen, He wants you to go into the Ancient Path. He wants you to reconnect with hearing His voice. He's going to restart people ... control-alt-delete. He's going to do some rebooting for many people.

And so, this does not mean that we're going back to old-time religion and preaching, you know, the hellfire and brimstone. That's not the Ancient Path at all. Instead, the Lord is calling you to find new ways to connect with His Spirit.

A new sound and language is being released. He's calling you into love, joy, peace. He's calling you into these areas to look for the good way and walk in it. Now, some people have laid down some callings and they're now available. And again, this is in Jeremiah 6:16–17, "But you said, 'We will not walk in it.' And I appointed watchmen over you that said, 'Listen to the sound of the trumpet!' But you said, 'I will not listen.'"

So, listen, I'm not talking about judgment here or anything like that, but the Lord is just saying. Let me help you understand this.

In this part of Jeremiah 6:6–17, some people, for whatever reason, laid down their watchman gift or their prayer gift or something. They laid it down. So, the Lord is calling you right now. He's calling some people. The gifts are shifting, and you'll start operating ... You're already—, some people are already doing this. Some people are going to start becoming more like a Swiss Army knife or all of a sudden, you're going to be more like ... prophetic. You don't have to be a prophet. You don't have to be any of these offices for this. He's calling us right now to be Swiss Army knives.

And the gifts and the callings are now going to be shifting around. And there's going to be a change in how people pray. Habakkuk, I love this. Habakkuk 2:1, "I will stand at my station, position myself at my station on the ramparts; and I will look to see what he says to me, and I will answer the complaint of the Lord." Now, listen, He's calling people to move into this area of the watchmen. I mentioned it in Ezekiel 3. The watchman is there. Ezekiel 33. There's a few areas, the watchmen. And then here's another one ... Habakkuk 2:1.

So, you know, we've suffered losses. Let's just talk about it for a minute. We've suffered some losses with the surge of the violence and the pandemic. But you know what? Don't focus on that. Focus on Heaven's gain. People have passed on, gone into Heaven and it's our gain. I call it a heavenly transaction when people go to Heaven, and they become part of interceding for us. And we lost a lot of—, I don't know how many, but we lost quite a few of the elderly, of the retired, of the mature who were—, I watched this happen a while back, but I just knew the Lord was going to do something.

I released a word on this previously that because this was happening, the Lord was very much aware. He was now building up Heaven. Now, we lost quite a bit of a prayer covering with those people, and I started feeling it. That's why I started releasing prophetic words. I started praying even more, even though I was praying on the run. I was training people how to pray. I was doing stuff. And the Lord is raising up a new prayer army, and there's an urgent call to pray for the next three months.

Romans 13:11, "And do this knowing the time: ..." (Now we want to know the time that is now.) "... It's high time to awake from out of your sleep, and now is the day of salvation for those who first believed." So, with this verse, Romans 13:11 can be applied to—, is understanding that there's a shift, is to how to know the time, is to wake up out of your sleep right now, come out of the wilderness and step up and either take a rest (you know, through this part of it), take on another assignment, take a rest, or something.

The Lord is shifting things right now. You're going to have to stay at the crossroads and ask. That's what He's saying, "Stand at the crossroads, watch and ask for the good way." So, it might be different for you. But all of these ways, they all are around the speed of peace. And the Lord is calling people right now who don't consider themselves to be intercessors ... for the next three months: October, November and December to step up in a time of prayer, because something big is happening in 2023. And we need to bridge the gap right now over a three-month prayer assignment and the Lord is restoring the watchmen.

Psalm 127:1 (I love this one), "Unless the Lord builds the house, they that labor build it in vain. Unless the watchmen stay awake, they stay awake in vain." So the Lord is building something new. We need to step up right now. And again, you need to decide. Ask the Lord what it is that you need to do.

Ezekiel 3:17, "Son of man, I've made you a watchman for the people." Oh, thank you, Lord. There's a new power and urgency to pray right now. And I've been a man of prayer. I don't care how much time I have. It doesn't matter how long you pray. What matters is that you pray. And it's part of my *Doug Addison School of the Supernatural*. We talk about prayer. I talk about the angelic encounters.

There's a new power and urgency to step up. There's a new paradigm right now, a new wineskin, a new paradigm for prophetic intercession, for praying, for watchmen. I tell you, people are like—, they think ... when I said it's a watchman, they think they have to get up at night. Hey, we need people in the daytime! Watchmen ... did you know the watches of the Lord are all throughout the day and night, so you could pick a time or pick a moment even. It doesn't matter how much.

This is an exciting time—Jeremiah 6:16—to say, "Stand at the crossroads and watch ... ask for the good way, and walk in it."

So Lord, we say, “Yes” to whatever you want to do. We release this prophetic word. (This is a prophetic word for the month of September, but also for the Rosh Hashanah. The new year is going to unfold even more as we move into next year.) We ask that You would raise up watchmen. We pray, Lord, for the ability to move at the speed of peace. We pray that we be able to run and not grow weary, walk and not be faint. We would rise up and mount up on wings like eagles. We pray for that impartation of encouragement (Look at me. Listen. It’s going to be okay. It is going to be okay. The Lord is moving right now. You’ll get to see some encouragement happen.) in Jesus’ name. Amen.

Well, I’m excited. And again, I have the [School of Supernatural](#) going right now. [DougAddison.com/SOS](#). And you can take this, it’s an online thing and it’s at your own pace. But my team put it together. I really love this. It’s ... wow. Powerful.

Consider partnering with us. Go to [DougAddison.com/Give](#). If you’d like to just give a one-time, text right now. Text L-O-V-E to 45888. L-O-V-E 45888 or [DougAddison.com/Give](#). You know, if you give on a regular basis, you can join us.

We’re actually an online church. We’re way different than any church you ever met, [chuckles] but we’ve been doing this for years. So, you can become a Partner. [DougAddison.com/Partner](#). If you give any amount each month, we bring you into our Partner portal. It’s a, it’s a Mighty Networks portal. And we have a Partner Coach who prays. It’s like having a home group online. And then we do once a month ... a meeting. Or it’s a live meeting with me and my team and we prophesy, and we’ll pray for you.

So Lord, I pray right now for this word. I pray for the encouragement. The Lord said ... He said, “Stand at the crossroads and look and watch. I’m raising up a new watch.” And He said this, “Look for the good way and

walk it.” So Lord, we look for the good way. We know that You’re a good, good God. You’re giving good gifts, in Jesus’ name. Amen.

See you next week!
