

Breakthrough in Your Finances

Doug Addison [Episode 259]

November 16, 2022

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. It's Wednesday, November 16, 2022. And I have a prophetic word that I'm going to release right away. In fact, I'm on the road. I'm in Texas to be part of the Cindy Jacobs meeting. Sorry about the fire hair [chuckles] and the bad lighting, but the word of the Lord is good, and the power and the presence of the Lord is here.

DougAddison.com is my website. Follow me on social media: TheDougAddison on Facebook; DougTAddison on Instagram, Twitter, TikTok; and YouTube is Doug Addison. Also watch for my *Daily Prophetic Word*, #dailyprophetic.

The Lord's moving right now. He's bringing you into a new level of blessing and glory.

There's a breakthrough in your finances coming in Jesus' name. Lord, we just thank You that no matter when people listen to this, You're outside of time because You indeed created time. And so, Lord, we do lay a foundation now based on the Bible.

I'm going to give a prophetic word over your finances. And I know that this is based on the word of God. So the Lord says this: Build your house, and as you build your house, build your financial foundation or build whatever you do on solid ground. Matthew 7:24–25, "Therefore (Jesus says this) anyone who hears these words of mine and puts them

into practice is like a wise man who built his house on rock. When the rain came in, and the streams rose, and the winds blew against the house; yet it did not fall because its foundation was on the rock.” Its foundation is on the Lord, on Jesus Christ and on the word of God. As you do this, you cannot go wrong.

Now the Lord wants you to be blessed, to be a blessing. Deuteronomy 8:18, “But remember that the Lord your God is the one who’s giving you the ability to produce wealth, he confirms his covenant with you, that he swore to your ancestors today.” So it’s the Lord’s timing. It’s His desire for you to be blessed, to make money, to be able to produce wealth, in some cases to be a blessing and to get out of debt, to do all these things. We were in debt previously. We broke the back of debt. We got out of debt several years ago. We’ve never gone back, and we’ve helped other people. Actually, it was well over ten years ago. We’ve helped other people get out of debt as well. In fact, I think it was in 2013 we got out of debt.

The Lord is moving right now, but somehow a spirit of poverty has crept into the Church and to Christian’s mindsets, and we need to break the spirit of poverty, the spirit of lack and also break off any addictions. Mammon is the actual serving God as money.

So true wealth, first of all, establish this in your life—true wealth is not money. Matthew 6:21, “Wherever your treasure is, your heart will be also.” True wealth is a relationship with Jesus Christ, with God the Father. Colossians 2:2–3 tells us this. True wealth is found in the greatest commandment of “Love God with all your heart, soul and your mind ... Love your neighbor as yourself.”

True wealth is actually not being rich or the size of your bank account (Romans 14:17). But true wealth is the riches and glory. It’s the glory of the Lord that can change things. And once you get this down, I want you to listen to this a few times, because if you can, it’s going to break some things off of you that we got broken off of us. And we need to get healed of our issues of our soul. These are the things that cause us to be able to not

be able to operate. We can operate in the gifts, the anointing and have a blessed life to be a blessing. And there's a balance in all of this. But, you know, money can be dangerous, and we need to get your heart in the right place. God will use money to test you. So we need to get rid of greed. We need to also deal with the overspending and any types of addictions. We need to get out of the poverty mindset.

And we need to realize with God, all things are possible for those who believe. These are biblical principles, that if you continue to align yourself to the biblical principles, they will turn the rudder of your ship in the right direction. Now, sometimes it might not be—, in most cases, it's not an instant, you know, get-rich-quick thing. This will turn the rudder of your life into the foundation of the Lord.

So, we need to let go of any guilt that says that you cannot serve God and have money, or that—, there's things like that, that's not true. Is that once you get your heart in the right place, the Lord can (indeed) and wants to bless you. Discover a healthy balance that God intended for you regarding money. Also expand your possibilities to get creative, to change the world through God's love and through financial—money and giving.

Even if you're in debt, I'd recommend doing something like the [Dave Ramsey 7 Baby Steps](#). First thing you want to do is get about \$1,000 in the bank so that when you're—, if something happens, you know, you're not going to use your credit card. Well, go ahead and take a look at Dave Ramsey's stuff if you're in debt. That's how we got out of debt. And then as a ministry, we got out of debt through some other financial things the Lord showed us. But I want to help you—at the end of this, I'm going to talk more about that as well.

You know, money is not evil. It's the love of money that is the root of all kinds of evil. Some people have gotten eager for money and have wandered from the faith and pierced themselves with many griefs (1 Timothy 6:10). It's the love of money—that's

mammon, that's greed. You get rid of that stuff. You get rid of mammon, greed, pride, selfishness. You get rid of that stuff. I'm telling you, I'm going to call it like it is. You get rid of that stuff, then the Lord can bless you and He can get you through things. In fact, it just depends on how the timing of the Lord. But on one side there's the spirit of poverty. Then the other side there's the mammon and greed. So we need a balance in that. You want to get out—, I had to break the spirit of poverty to be able to do what I do in Hollywood, you know? And honestly, [chuckles] I had to break that. And then once I started to get blessed, I had to be very careful, you know, to break off greed, pride and all that stuff. So, on one side, you want to make sure that you're not motivated by greed, idolatry, the love of money. On the other side, you want to break out of the lack, the spirit of lack. It's a false humility in a lot of cases which try to hold people down.

And so we need to balance in this, and we can then be clean for what the Lord wants to do. As you understand these biblical principles, these are the things—, this is like the rudder, like it's a foundation that the Lord wants to build you on. He wants to build the foundation of your life. These are the principles that run through the Bible, and they are not rules, but they are spiritual laws. It's better to give than to receive. If you give, you will receive. Whatever you sow, you shall reap. The last will be first. The humble will be exalted by the Lord in due time. Love your enemies. See, these are principles that are in the Bible. And I was shown a lot of this stuff previously and the Lord's moving right now.

There's principles in the Bible that no matter—, you know this, that no matter who does them, they will actually work. That's why it's good to get it in the hands of Spirit-filled believers so that you can actually change the world, so that you can renew what God is doing. So, a personal relationship with the Lord, with Jesus Christ, with the Holy Spirit is very, very important. It will change things. The Lord will then indeed accelerate.

I mention this in about every talk I do, and that is the principle of love, because it will align you with what the Lord's doing. And it's found in Matthew 22:37–40. “Jesus replied: ‘Love God with all your heart, all your soul and all your mind’ ... And the second

commandment: 'Love your neighbor as yourself.' The Laws of all the Prophets are hung on these two commandments," Jesus said. You know, Jesus referred to the greatest commandment of love because it gives you the love of alignment. I'm telling you [chuckles] that once I found this in my life, once I aligned with the love of the Lord, I dealt with all these things that I had against the Lord. I was angry at the Lord and also with other people. I started extending forgiveness, even though that doesn't mean that you agree with them. And also, I went through the personal healing within myself. Everything fell into alignment. And my healings fall in place and finances fall in place.

Love God, love your neighbor and love yourself. Now there's more to it than that, but that's a real basis for things. So as you bring this under the leadership and the Lordship of Jesus Christ, of the true Yeshua of Nazareth, you can come into agreement with Heaven. That's the secret to health, wealth and everything will flow through that. The principle of giving is very important, first of all. So, the principle of giving, Luke 6:38, "Give and it will be given to you. A good measure, pressed down, shaken together, will be running over and poured into your lap. For the measure that you used will be measured to you."

Giving is indeed the doorway to receiving finances. And I had to break this. I tell you, I had to break this off. I had a mindset. I had a poverty mindset, and the Lord was trying to get me to go move into these bigger things. And I would give, like I heard Him say, "I want you to give \$1,000 to this ministry." And then I hear this message and they're saying the very thing that the Lord had just told me for \$1,000. And then what happened is I gave \$100. Well, now I'm not saying that you're going to do this, but I'm just saying right now, maybe you had the same thing I did for me to be able to break this off. That was the spirit of poverty.

The Lord wants to give you time, money and attention and love as well. He wants you to have this, not just financially. He wants you to have your time, money, attention and love as well. And so we need to do that. But I tell you, when you have money, even if you're

in debt, if you have money, you feel better! You can do things. And once you have a balance in this, you will indeed feel better because you'll be able to love others and then you bring a balance to your life.

So, here are some principles as well. Do not be afraid. Joshua 1:9 (I want to prophesy over you right now), "Have I not commanded you? (says the Lord) Be strong and courageous and do not be frightened or afraid. Do not be dismayed, for the Lord your God is with you wherever you go." He's with you in the storm.

So, Lord, I activate this word, that there's more to it, way more to it. (But there's a course I have ... two of them, but one of them will actually align these principles in your life. And I want to give this to anyone who is going to give into what You're doing in our ministry right now.) And so I'm just saying, Lord, that You want to pray and activate this over people's lives to be able to change and be able to shift, get out of the spirit of poverty, get out of the spirit of fear and understanding these things in Jesus' name.
Yeah.

You know, we're on the verge of an amazing breakthrough. The Lord wants to break you out—break us out as well of the previous season and bring a blessing and repayment and preparation for 2023.

You know, Apostle and Prophet Cindy Jacobs gave me a prophetic word—May of '22. She said, "Doug, you are a prophet, but you've been going through double trouble and the Lord is going to give you a double repayment for your double trouble and also a double anointing as a healing revivalist." Now, I was just with her this past week and, you know, she prayed for me again! And I'm going through some deep, deep healing right now. But I'm preparing for this word. It's called activating the prophetic word. Because of this word ... I pressed in to get an even deeper level of healing. And I'm still doing it right now, but the Lord is positioning you to bring you into the fire and the

anointing of healing. And this is what I've got. I tell you, I was just looking at things again and I'm looking at this season. Even though I've walked through double trouble, I've had a double blessing! I tell you, I've been healed of the symptoms of Huntington's disease. I'm in a study at the UCLA Medical Center. That in itself is huge. I got healed of Lyme disease, Multiple Chemical Sensitivity. I got healed of extreme adrenal fatigue, I got healed of stress and anxiety. My eyesight got better. I no longer wear reading glasses. I tell you, I got healed of tinnitus. My ears rang all my life. Now, yes, I walk through double trouble, but praise God, I'm a walking example right now of this prophetic word, to release this over you. And it comes through the love alignment, it comes through financial as—, you know, the financial things will come as well. But this, the healing that I'm talking about right now, it has to do with the love alignment and coming into alignment with the word of God and everything else will flow around it.

God is releasing a new anointing for healing ... healing strategies. He's actually going to do some supernatural things in your life. And, you know, I was able to—, I'm able to travel again. I'm here in Texas, you know, and it's an amazing thing. The Lord's restoring my health and He wants to restore you too.

There's financial blessings. In 2022, Linda and I, we were moving into our 22nd year of ministry and 22 represents double blessings. And so, I'm going through some deeper healing right now. And, you know, we have really poured a lot of money into the last seven years of what the Lord has been doing in our life. And so we've invested a lot of personal stuff ourselves.

Seven years ago, the Lord brought us into an assignment to move to Los Angeles, and particularly on the West Side in Hollywood. Linda and I invested over half a million dollars of rent. Now call us crazy, but this is what the Lord—, He told us to do this. We rented a house seven years ago that was in a strategically positioned place. We are not talking about a mansion. This is a 1500-square-foot bungalow built in the '40s that—, [laughs] and I'm telling you, the Lord told us to do this. It's even too small for us. We

sold our house in Santa Maria in our 60s and invested this over ten years ago. We invested everything into the Kingdom. Bless my wife, Linda. And here we are coming out of this. And the Lord has allowed me, that when we did this, He allowed me to shift from traveling to live events to doing training online, and we're now nearly 100% of training other people, even, on how to do online ministry and how to be blessed.

And the Lord's calling us now. We're in our 60s. Linda's 64, I'm 63 at the recording of this. And we're at a place right now where we need some time off, but we're going to keep ... Our team's going to keep moving. We need a financial boost to move from our house in West L.A. And, you know, if my ministry has blessed you in any way, that—, please consider donating to us. We need a financial boost to move into this new level.

But I tell you, with what the Lord told me to do and how to do this—for you—you can't go wrong if you give to this ... it's called the **Break Out Blessing**. Go to DougAddison.com/BreakOut. You give any amount at all, I will give you my *How to Get Your Financial Breakthrough* webinar. It's a two-hour training.

And then if you give \$100, you get access to that and *How to Get Your Financial Breakthrough* and *How to Restore Your Financial Storehouses Masterclass*, plus a digital copy of my book, *Flip Your Financial Future*. So, we're asking people to sow, consider sowing. You know, you got to sow to receive, but consider sowing into this because we are good soil. If my ministry has blessed you in any way, the *Daily Prophetic Word*. This is a time we're asking people to step up with us because we're in our 60s. We've put over half a million dollars of our own money. We've done a lot into the Kingdom and we're asking for people to step up. And as you do it, go to DougAddison.com/BreakOut. You will be blessed to be a blessing as well and you'll get my online course, *How to Get Your Financial Breakthrough*. And if you give \$100, again, you'll get the Financial Breakthrough package.

I'm just excited. You know, I don't normally do—, you know, I'm not like a—, we're ... it's not like it's bad, we're not like an offering-based industry. However, when the Lord speaks to me to do something, I'm very faithful in doing it. And there's always a financial breakthrough for everybody involved. And I feel like this is one of those times right now. DougAddison.com/BreakOut.

All right. God bless you.

See you next week!
