DANIEL'S PROPHECY

Daniel saw 70 weeks or 70 periods of 7 years appointed by God for the Jews and the Holy City Jerusalem (a period of 490 years).

It began in 445 B.C. with the commandment of God to rebuild Jerusalem.

Jesus came 483 years after the commandment.

Jerusalem was to be restored for the Messiah to come and give life for sinners.

DANIEL'S PROPHECY

But Jesus was cut off, crucified...

There are still 7 years of the prophecy remaining.

Daniel 9:26 predicts the destruction of Jerusalem by Rome.

Daniel 9:27 assigns the remaining years to the Great Tribulation.

Jesus warns the readers of Mark 13 to understand what He says about Daniel's prophecy.
