

Make Up Your Mind

The God we decide for...

In the weeds...

God's Grandeur (Psalm 19:1-4)

Worship in every moment... In every decision

Making decisions WITH the Holy Spirit is an act of worship!

The Ultimate Mission (Colossians 1:16-20)

The cross is the central event of history the compels us to respond daily to Jesus.

Prayer and Proclamation (John 15:5)

Proclaiming His word means knowing his word.

The highest piece of stupidity? Knowing God's desire and word and not doing it.

Embracing Spiritual Muscle Confusion (John 12)

We must remain steadfast in our spiritual disciplines, even when the purpose isn't immediately evident.

Choosing Compliance Over Clarity

We lean into compliance with God's will, prioritizing faithfulness over full understanding.

Unorthodoxy - A Characteristic of God's Way.

Unique and unorthodox gifts have been neglected simply because of their unorthodoxy.

God may be calling you to unconventional acts of service or sacrifice.

Vulnerability - Unveiling Our False Covers (Psalm 84 vs 1 Samuel 5)

There is a vast contrast between seeking refuge in God's way versus seeking comfort in our ways.

The Pressure That Points Us To Idolatry

Anxiety reveals our misplaced trusts.
Never should we elevate good things to god like status.

The Choice of Perspective

Assumption is a human flaw.
Assurance is a divine gift.
We should say thank you more often. The power of gratitude.

The Illusion of Control (2 Corinthians 2:14)

We can not control our past, other people, and extreme circumstances.
We should not allow them to control us, either.
We can control our responses, attitudes, and our decision-making processes.

Choose Presence over Pressure

Taking the time to seek His presence breaks the turmoil and pressure of any circumstance.

"Will it kill you?"
