Small Group Questions

Ice Breaker: Who is someone you learned a skill from? What was the skill?

1. Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged, or confused you?
2. Were you disciplined by someone? If so, share your experience with the group. If not, what would you have desired to experience?
3. Read Acts 4:13. What impact does this scripture have on your walk with the Lord?
4. Of the disciples you know from scripture, which one do you resonate with the most and why?
5. What are challenges that keep you from disciple making, perhaps one named during the teaching? What truth do you need to speak to this struggle? Pray for one another in this.
6. What is the next action step **you** will take with this information from tonight?
