Week 4- Guys Lead Courageously

Big Idea: Real men lead courageously. They do what is right, even if it costs them something.

Principles:

1. **Leading Courageously is a commitment to living rightly.** (1 Tim 4:12)
2. **Leading Courageously involves what you say and don't say.**
3. **Leading Courageously involves what you do and don't do.**

Discussion Questions:

- In your own words, describe what it means to lead courageously.
- Can you give an example of a time you have seen a man in your life lead courageously?
- What does 1Timothy 4:12 have to say about what leading courageously looks like for you?
- What is a situation you have been in recently where you knew what was right, but you didn't do it because it would cost you something?
- What is one example of how you can lead courageously in . . .
