The Supremacy of Christ

1. Watch the Hebrews summary video from the app together as a group. What new ideas or concepts did this video create for you going into Hebrews?
2. What attributes or qualities of Jesus are detailed in Chapter one? How should these attributes influence how we think about and interact with Christ?
3. What worldly items or ideas are you currently “taken by” or “distracted by”?
4. When was the last time you were “captivated” by Jesus? Share your experience and how that compares to your current relationship with him.
