David and Goliath

We will all face challenges in our lives, but how we respond to those challenges reveals a lot about what we think, feel, and believe. In I Samuel 17, David faced a seemingly impossible situation, but he trusted in a sovereign God to bring him through. David recognized what God was doing and stepped into His will to obtain the victory.

1. Read 1 Samuel 17:34-37
2. When you look back on your life, can you see how God has prepared you for things you are facing now?
3. David went to battle with weapons he used for years in the fields. How do you leverage your unique skill sets and abilities to advance the kingdom of God?
4. When you encounter battles in your life, how do you respond? Do you hide? Or, do you tend to fight in your own strength?
5. What is the balance between relying on yourself and trusting God to see you through?
6. Would you be able to move into an impossible situation simply because you trust in a sovereign God?
