The God of Unfailing Love and Justice

1. What steps can you and your family take to be more intentional about your relationship with God leading up to Christmas (managing your time, spending habits, interaction with family, etc.)
2. When in your life has your need for God become very clear to you? Are you only aware of your need for God when your circumstances are difficult? How can we become more clear on our need for Him and dependence on Him at ALL times?
3. What is your greatest desire....to get something from God or to be in God's presence? If God gave you everything you desired, what would your relationship with Him look like?
