

## ② Priestly Ministry fulfilled by Christ + thru Christ

All have sinned and fall short of God's glory **Romans 3:23**  
What will you do w. "sin" problem by whatever name you call it? Christians confess "I am a sinner" You?

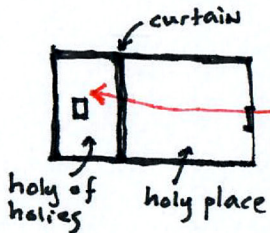

Jesus was the Perfect High Priest who offered himself as a sacrifice; he bore the judgment our sins deserve and offers forgiveness thru His blood. *You need forgiveness, don't you?*

His gift of the Holy Spirit makes us temples for God's glory to dwell

*You are made for nothing less than God's glory!*  
**2 Corinthians 3**

At the center of our society, the church, is the Gospel, Good News of Priestly Ministry of Jesus. Jesus our KING **LORD** makes us a **Kingdom of priests** who "self-police" by repentance, represent His glory + offer his forgiveness! *You need this Purpose!*

**XTIANS YOU ARE THE TRUE RADICALS TODAY**

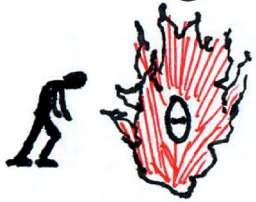

"Going Backwards to Go Forwards: The Priestly Ministry"

Leviticus 6:8-13, 8:1-15, 9:22-24, 10:1-7 | Rev. Jason Dorsey

# 3 Priestly Ministry How archaic + irrelevant

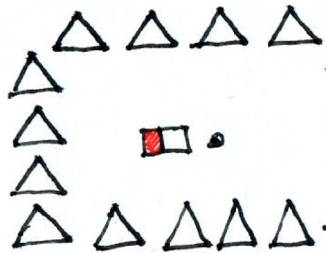

➔➔➔ Actually you need it and it is at the center of the radical, counter-cultural, global society that is the Christian Church

## ① Priestly Ministry

Assumes people are bent and broken by sin, that  $\Theta$  is holy, and that sinners can't be in the presence of the Holy  $\Theta$ .

FACT OF HUMAN EXPERIENCE  
Police + Criminal System

Therefore sacrifice precisely prescribed by  $\Theta$  must be at the center of society where  $\Theta$  is KING + Present 6:8-7

And priests appointed by  $\Theta$  and consecrated for their service must be established to mediate the presence of  $\Theta$ , by offering prescribed sacrifices. Chapter 8

Sacrifices must be offered, and accepted by  $\Theta$ , on behalf of the priest who is a sinner and so unworthy of being in  $\Theta$ 's holy presence.

Leviticus 9

The center of Gravity - the beauty, the fear, the authority of such a society is the being of  $\Theta$ ,  $\Theta$ 's glory and presence its greatest good.

Leviticus 9:23-24

Death of Nadab + Abihu

Now before you dismiss as archaic + irrelevant, or reject b/c of apprehension of Sharia Law, or mock b/c of prejudice consider:

- ☑ Every society has to deal w. sin by whatever name it is called. Is the police + criminal justice system really better than priestly ministry + self policing?
- ☑ What if your greatest good really <sup>is</sup> the glory of  $\Theta$  + nothing less can satisfy.
- ☑ Largest society on globe, Christians, are centered on priestly ministry of Jesus! TRUE RADICALS!
