

3 OT offices Prophet, Priest + King fulfilled in Jesus

So what? What need of mine does this meet?

= You need a leader + to be a leader!

Prophet ► Authority ► Vision ► "This is where Θ is leading u"

Priest ► Presence ► People ► "You can be part of this. I'll help you."

King ► Control ► Plan ► "This is how we can get there."

Your leadership style? Priestly Prophet? Kingly Priest?
Priestly king? kingly king? etc.

But I'm not a "leader." Still called to leadership! Ex.

→ Jesus came to lead you + make you strong
in leadership!

① What a prophet is

Deuteronomy 18:18-23

1. Moses is great OT Prophet Pentateuch

Who Θ is, who we are, how world was created, what is wrong w. us, Θ's Promise, Θ's Covenant People, God's rescue, Duty before Θ...

God will raise up for you a prophet like me...

2. Prophet mediates / communicates the WORD of holy, glorious ☸ to sinful people

"They are right in what they have spoken vs. 17"

3. Prophet speaks Ø's Word - all that I command him - in Ø's Name ▶ Authority "thus says the LORD"

4. Standard for prophet = every word must be true/come true.

Stop... see relevance. Relationships require communication/revelation of one's ❤ ► Amazing ☸ speaks, reveals

② Jesus is the ultimate Prophet

☰☰ Jesus is the fulfillment of Deut. 18
Ø's Words were in his mouth, etc. N.T. Wright

Hebrews 1:1-3 = Jesus is the final word, ultimate (last) revelation, full + perfect self-disclosure of ☸. Son... heir of all things... through whom He created the Universe... radiance of Ø's glory... exact imprint of his nature...

Do you want to know ☸? Ø's ❤ = JESUS

③

You must receive the whole Christ - Savior + Prophet, etc. - not just a part! This will be revolutionary, you have a Leader you can trust!
