☰☰ 6 LESSONS on Discipleship to Jesus

① Discipleship starts w. witness to Jesus

☰☰ John was standing w. two of his disciples "Behold the Lamb of God!"
The two disciples heard him say this + they followed Jesus.

- ☑ John is witness to Jesus
- ☑ Holy Spirit revealed Jesus identity to John 1:32-34
Leslie Newbigin

Who witnessed to you about Jesus?

② Discipleship is a progressive following after Jesus

understanding
emotions/love
allegiance

1 2 3 4 5 6 7 8 9 10

⑤ Jesus gives disciples space to doubt, question, be sceptical, etc. because He knows them deeply, loves them, and knows how little they know of Who He Is!

- ☑ Nathaniel's scepticism
- ☑ Jesus' knowing of Nathaniel
- ☑ Nathaniel's confession, vs 49, falls short.

Sceptic Jesus is safe, gives space to doubt + question ... if you will suspend your scepticism and "come + see Him."

⑥ Discipleship to Jesus is not integrating Jesus into your world-view. ~~It~~ Jesus is the New Reality, revolutionary, paradigm changing world-view that you center your life on, defines you, etc.

Jesus makes reference to Jacob's Ladder
