Why matters to your **♥**, mind, soul, immensely...

① What blood means

1. A certain view of blood is to shape the
practices of the community formed by Holy Θ

☑ Holiness of Θ is the defining reality of Leviticus
Like backdrop on stage... Havel's "Watcher"

☑ Holy Θ will set his face against + cut off
from his people **"that person who eats blood" vs. 10**

Why? What's big deal? = What blood means

2. Life is in the blood **Dr. Paul Brand**

3. Holy Θ gave blood **"on the altar to make
atonement for your souls" vs. 11**

② Why... The logic of blood

1. All sin, every sin, is an act of violence against Holy Θ , others + self. **Titus 3:3**
2. All sin, every sin, is seen by Θ "the Watcher," exists as part of objective reality, historical fact. It must be dealt with.

Explains why forgiveness is so hard!

3. Without the shedding of blood there is no forgiveness of sin **Hebrews 9:22**

Spiritual Law = GOD'S HOLINESS + MAN'S SIN \blacktriangleright BLOOD

Well, still gory + primitive, bloodthirsty!

Actually, No! 

4. Holy Θ is forming a community w. the highest view of the value of life, w. a sacred reverence for life, and protecting life against every form of violence! Israel \blacktriangleright Church **murder, abortion, euthanasia, suicide** and **soujourner, "strangers" vs. 10,12,13,15**
