

Faith that Works: A sermon series in James

James 1:19-25 "God gave us 2 ears and 1 mouth"

If closed ears and rambling tongues lead to worthless religion, then how do we stay away from that:

1. Value others viewpoints and opinions. Put a mental stopwatch on your conversations. (19)
2. Know that selfish anger never helps anyone. (20)
3. Actively get rid of the wrong actions in our lives. (21)
4. Listening is only the start; doing is what changes things. (22-25)
