Theme: **GOD NEVER CHANGES**

Scripture Reference: Hebrews 13:8

Pastor Jamal Hegwood

Discussion Questions:

1. If you could use 3 words to describe how the pandemic was for you. What would those words be?
2. Does it sometimes feel like God changes?
3. Do you think you live by God's strength? If so, how do you do it? If not, how do you think you can start doing it?
4. Do you sometimes feel like it's difficult to trust God?
5. What are three things you can do to trust God more?
6. Read over Psalm 90:2 (NLT). Why is it important to remember that God never changes?

We increase our ability to trust the Lord by investing in our relationship with Him. We increase our relationship with Him by prayer, worship, and reading His word. Read over and memorize Numbers 23:19 (NLT) this week. Set it as the wallpaper on your phone (maybe even spend some time creating the wallpapers in the Bible app if you have the time) and then think of ways you can live this verse out each day. How can you live knowing that God does not fail? How can you live knowing that God will come through on His promises?
