Discussion Questions

1. What do you think when you hear something like: "God loves you and has a wonderful plan for your life"? Does it create anxiety or is it comforting?
2. What have you been taught in the past about "discovering God's will for your life"? How has that worked for you? Share some personal successes and failures/frustration with the whole process.
3. Is there a decision in your life right now where you are seeking to understand and then obey what you believe to be God's will? How are you moving towards a decision?
4. As you consider God's will for your life do you see it in terms of the general or the very specific? i.e. Do you believe there is only one college/job that fits into God's will for your life, or do you see that there may be several choices that fit His will? (The same goes for almost any other large decision like marriage, transition, attending a different church, etc.)
5. What was helpful to you from the message Sunday? What was frustrating or something you are not sure you are OK with?
6. Close your small group praying for each other and committing to supporting each other as you seek God's best in your lives.
