“Celebrate the Growth” February 10, 2019 Joel Goff

Discussion Questions:

1. Last week Pastor Joel encouraged you to view those “not fair” life experiences through the lenses of God’s on-going activity in you, through you and around you. Was there any insight and perspective that carried through this past week that you would like to share with your group?
2. On Sunday Pastor Joel referenced that personality has a huge impact on how we view understand and experience spiritual growth. Do you tend towards introvert or extrovert? Ask your life group to guess or confirm your personality.
3. If you have been a Christian very long you have probably developed your own growth path based on your personality. How has that help you grow spiritually? Can you give some illustrations from times of more intensive or significant growth?
4. How has that introvert/extrovert personality perhaps stifled or negatively impacted your growth? What have you or can you learn from those whose introvert/extrovert balance is the opposite of you? Can you give some illustrations? Perhaps even from your life group?
5. Close in prayer affirming others in your group and your group commitment to grow spiritually in community
