Adult Studies to Choose From:

Christian Doctrine 101; led by Chris Clontz & Eric Hilton  
*Doctrine is the word Christians use to define the truth-claims revealed in Holy Scripture. Of course there are a multitude of groups and individuals each with their own doctrinal statement with many points of disagreement. But while Christians disagree on several non-essential beliefs, there are key elements that cannot be denied by anyone claiming to be a follower of Jesus. In this study we will take a look at those close handed truths.*

Armor of God by Priscilla Shirer led by Megan Williams  
*The Enemy always falls miserably when he meets a woman dressed for the occasion. The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.*

American Sign Language led by Stephanie Godwin  
*Learn how to talk with those who use sign language as their form of communication. We'll be learning the first 100 signs to make simple sentences.*

Woods & Waters; led by the Yoemans' & the Jones'  
*A small group study that combines people's love for God's Word and the outdoors. Many of the lessons and videos help to combine these areas to point to God's plan, power and creation.*

**We are asking for volunteers to help with leading:**
