

LC3 Mission in Focus: Kossi & Whitney Apki, Malawi

Last year was beautiful; our ministries bore much fruit. A big emphasis for us was hospitality. We hosted 10 groups, with 24 guests from around the world, women's brunches, a Passover Seder, and many other events. We have seen our faith-filled community grow and relationships deepen with God. Our young adult ministry has 16-20 attendees who are flourishing in their relationships with God. Through Kossi's film ministry, he partnered with seven organizations in three countries. Brothers in Arms is flourishing as it works to rehabilitate children facing homelessness.

In 2024, our focus is shifting towards our other partner ministry, Extending Hope Organization, which provides education, healthcare, and farming training in a village 2.5 hours north. Kossi will help to develop the current programs being run. The organization has a great foundation but needs a leader to help propel the programs forward.

Please pray with us:

- We are building a very simple house in the village so we can spend more time there and invest in the projects taking place. We need \$7,500 to finish the house, which will include providing solar & water.
- Endurance in homeschooling!
- Continued growth in full-family unity as we brought Kossi's daughter (Martine) back with us from Togo in July. We love having her, and she loves being here.

A STORY OF IDENTITY MARKUS WILKENING

Hello! I am a senior at Steilacoom High School and I attend Pierce College through Running Start. I grew up attending LC3 and this was my seventh winter camp. Winter camp has always been such an amazing experience but this year it was really special. God has been speaking to me in the past couple months and used winter camp to give me a much-needed, special message.

One thing you should know about me is I love basketball. I have been playing since early elementary school and it has always been my favorite sport and activity. Near the end of January, I tore two ligaments and fractured the bone in my ankle at basketball practice the day before senior night. This really hurt, not just physically but emotionally. I felt like my entire identity, who I was, was stripped from me. I knew basketball would end, but I didn't expect it to end like that.

Winter camp tends to be a very spiritually-impactful weekend so I started praying. I was praying that God would have something for me at winter camp. The first night we were there, the speaker said the message for this weekend was on identity. It was at that moment I felt God's peace overwhelm me. I was so grateful God had answered my prayers. Throughout the weekend I heard some amazing messages and had some meaningful cabin talks with my best friends. I felt so close to God and I am so incredibly grateful for this weekend at winter camp.

Now, after coming home from winter camp, I feel closer to God than ever. I know I still have so much more to grow but the increase in my faith in Him has been huge.
