

This is the Kindness

Genesis 20

Ice Breaker: Do you like rollercoasters? Tell everyone about that.

- 1.** How much do you relate to Abraham's rollercoaster life? Tell us more about your answer?
- 2.** Pastor Tung said, "repeated sin is a human condition." There are some who would say that people are inherently good; it's their environment

that has led to them to doing bad things (sin). Discuss this as a group. What does the Bible tell us about the human condition? Why would someone believe something different?

- 3.** A sovereign God has a right to choose what He chooses. What does that mean? Does that statement feel too harsh? Why or why not?
- 4.** Have you ever been angry at God? What did you do about that?
