

## Missions in Focus: Tyler & Karen Pease, Perspectives

We just finished eleven Perspectives classes in the Northwest. It's a blessing to see how these classes impact students and lead people into lifelong ministry. We have six classes this coming fall, including two intensives for pastors. Fall is always our smaller semester, so we are using this time for a major upgrade to our website. In our Better English ministry, we finished our classes for the school year and saw great growth in our students – including students in our new Basic English program who went from being painfully shy to making jokes in class. We are now in our summer routine with weekly Walk & Talks and field trips. The break from weekly classes and meetings also affords the opportunity to invest more deeply in relationships with various international friends. This summer we are also busy traveling, speaking at churches, mission's conferences, and doing leadership training events.

### Prayer & Pray:

- Pray God would bring Himself glory through meaningful conversations with international friends this summer, and for wisdom for Karen as she seeks to engage international friends in conversation about worldview using stories from the Bible.
- Pray for the Perspectives web upgrade. This is a national effort and a major need for moving our ministry forward, but it also comes with growing pains. Tyler's past I.T. experience is coming in handy as he's heading up some testing for the site.
- Pray God would bring the right team together to coordinate a Tacoma Perspectives class in January 2024.
- Pray for our summer travels. We are currently in Montana speaking at a mission's camp and we have more travels/events throughout the next two months. Pray especially that we would be clear in communicating God's heart for the nations.

## SCHNEIDER FAMILY STORY Two Weeks in Honduras

God took our family on a wonderful journey around the city of Siguatepeque, Honduras. We shared our program in fourteen schools, reaching more than 2,500 students in six days! Our program consisted of children's

Bible songs in Spanish and a skit telling of Shadrach, Meshach, and Abednego in the fiery furnace and their reliance on God in a difficult time. We provided a paper craft for all the students so they could take home a reminder of God's faithfulness. Included in the craft was the verse, "If this be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of your hand, O king." – Daniel 3:17

We also had the opportunity to sing worship on live national radio and the honor of visiting many families in their homes, hearing their testimonies, worshipping, and praying over them.

Through these experiences we have learned more about being a servant and seeing God's peace and faithfulness through hard times. Thank you for joining us on the journey through your prayers and financial support. Our team served in unity, had overall good health, safe travel, and the honor of witnessing God move in incredible ways!
