Missions In Focus

Makset: Turko-Russian Ministry

The war in Ukraine has especially disrupted the Turco-Russia world (think former USSR plus neighbors). Travel has been severely restricted, which has prevented us from moving ahead with some of our plans. More importantly, the outcome of the war will significantly rewrite the national relationships of the region thereby impacting the spread of the Gospel. While many people are living in fear, our Global Teams Field Partners continue to reach out in faith to the Muslims of the region. Makset plans to visit the region in the first part of this year to encourage leaders and train new missionaries.

Prayer Requests:

- A fruitful February training of Muslim background women believers in disciple making movement practices. As far as we know, this is the first training that focuses specifically on women from this background for multiplying disciples. Women play a crucial role in the fabric of their Muslim communities and are uniquely positioned to introduce the Gospel into families.
- Everyone has an idea of how the war should end in Ukraine. Pray for God's plan for the end of the war to prevail.
- The safe transfer of title of a ministry home in Astrakhan, Russia. Currently the home is in an American's name, and we don't want it to be confiscated.
- Safe movement for Makset and GT leaders throughout the region.

Welcome Guests!

- Please visit our Welcome Center in the Gathering Area for a free gift. Please do not feel obligated to participate in the offering. The offering is for regular attenders who consider LC3 their church home.*
