

MISSIONS IN FOCUS: Lake City Community Church

What began in 1923 as a Sunday school ministry to the community set the foundation for a church whose heart remains the same today: Love God + Love People.

Know therefore that the Lord your God is God, the faithful God who keeps covenant and steadfast love with those who love him and keep his commandments, to a thousand generations - Deut. 7:9

For generations LC3 has loved, glorified and honored God, and shared that love with others - locally, across the U.S., and around the world. Serving and sharing the love of Jesus is in our DNA; it's who we are as a community. Whether as a small, local Sunday school; supporting an orphanage in Korea; sewing blankets and taking meals to those in need; or going to Russia, Africa, or Mexico to physically be the hands and feet of Jesus, LC3 has answered God's call to love.

We all have a role to play in following God's command to love others through prayer, financial support, and physically serving; and our church family has, for generations, wonderfully loved God's people. We eagerly anticipate how God will call us to love His people for generations to come!

Lura Anderson's Story

Many years ago God placed on my heart our missionary wives and women to encourage them and care for them as best I can. I have traveled with them, shopped for them, packed for them, washed dishes for them and tried to enter their worlds whenever possible. I try to engage them with you, our church family, as much as I can.

In anticipation of seeing our Niger friends I contacted one small group who loves on one of the families we support. They took up a collection for this family, which I gave to them while I was in Niger.

With tears streaming this family related that they had had some medical bills while in the US which should have been covered by their insurance in their country. But for six months they had been chasing down the exact paperwork to get reimbursed without success, despite letters, emails and phone calls. They had given up on getting these funds back. When they opened the envelope last week, they found the exact amount - to the dollar - of what they were lacking!! Praise God that you generous folks at LC3 heard God whisper, "Be generous!!"
