## Missions In Focus

### Jeff Butler - Family Hope International

Family Hope International continues to move forward in our mission to prevent orphans by preserving families! Our Vision Team has recently returned from a trip to Kenya and Ethiopia. We are excited about the doors God is opening for program expansion in Kenya! We continue to develop partnerships with U.S. churches, other Missions organizations, and churches in Africa. We are currently serving several hundred families in Ethiopia and soon in Kenya. These are families in extreme poverty who need basic resources such as food, water, and shelter to survive. Our desire is to continue to provide hopeless families with the hope that comes from providing for their practical needs and the ultimate hope that comes from having a relationship with Jesus Christ.

### Prayer Requests:

- Additional Aid and relief from the drought in Ethiopia
- Stability and freedom from conflict in regions where we have project areas
- Program expansion in Kenya and other parts of Africa
- Safety and provision for our FHI Team and our sponsored families
